Winter Camp

Designed to provide an outlet for children to engage in healthy lifestyles through the physical play of Roller-skate. The program provides the opportunity for kids to develop and enhance their skills while making new friends over the holiday season!

Classes/ Programs

Learn to Skate/ Skill Development:

- Students are provided with rules and procedures for safe roller-skating practices
- Students are provided with instruction that will enhance skill development, depending on the ability of the participant

- Participants will be encouraged to participate in a series of activities/ lessons that provide for an understanding of techniques and approaches to the sport.
- Participants will be given appropriate challenges to meet their skill level and specific needs

Snack Break:

- Participants will be provided 1 packaged snack (cookie/ biscuit), fruit and juice box per snack break

Free Skate:

- Participants can exercise their new skills with free skate with peers

Activity Games

- Camp instructors will facilitate engaging games and activities to keep participants engaged and in motion.
